JUNK FOR JOY

A Holiday Haul That Helps a Family

Every Stand Up Guys job from now until December 15 helps us buy Christmas gifts for a local family battling pediatric cancer.

We've partnered with the Children's Cancer Center to adopt a family for Christmas!

We'll be purchasing gifts directly from their wishlist and donating all additional proceeds to support more families in the program.

A portion of your job today goes directly toward these gifts and the families supported by CCC.
